

OUR VISION

Our vision is to equip young men and women to stand for Christ in the last days: to believe the Gospel, to know the Word of God, and to be ready to do good works.

TEACHING

The week's primary activity is Bible instruction that challenges the heart and mind. The sessions will be divided between hands-on Bible study and formal teaching. This year the students will be studying Genesis 1-11 and learning about topics such as:

- Introduction to Grace
- Being Different
- Freedom VS Bondage
- The Presence of God
- God's Heart for the Nations
