

## OUR VISION

Our vision is to equip young men and women to stand for Christ in the last days: to believe the Gospel, to know the Word of God, and to be ready to do good works.

## TEACHING

The week's primary activity is Bible instruction that challenges the heart and mind. The sessions will be divided between hands-on Bible study and formal teaching. This year the students will be learning about topics such as:

- Principles of Spiritual Growth
- Christian Suffering
- End Times
- Work as Worship
